Did you know? In 2023, Mauritius imported \$3.95 million worth of medical devices and appliances from India.

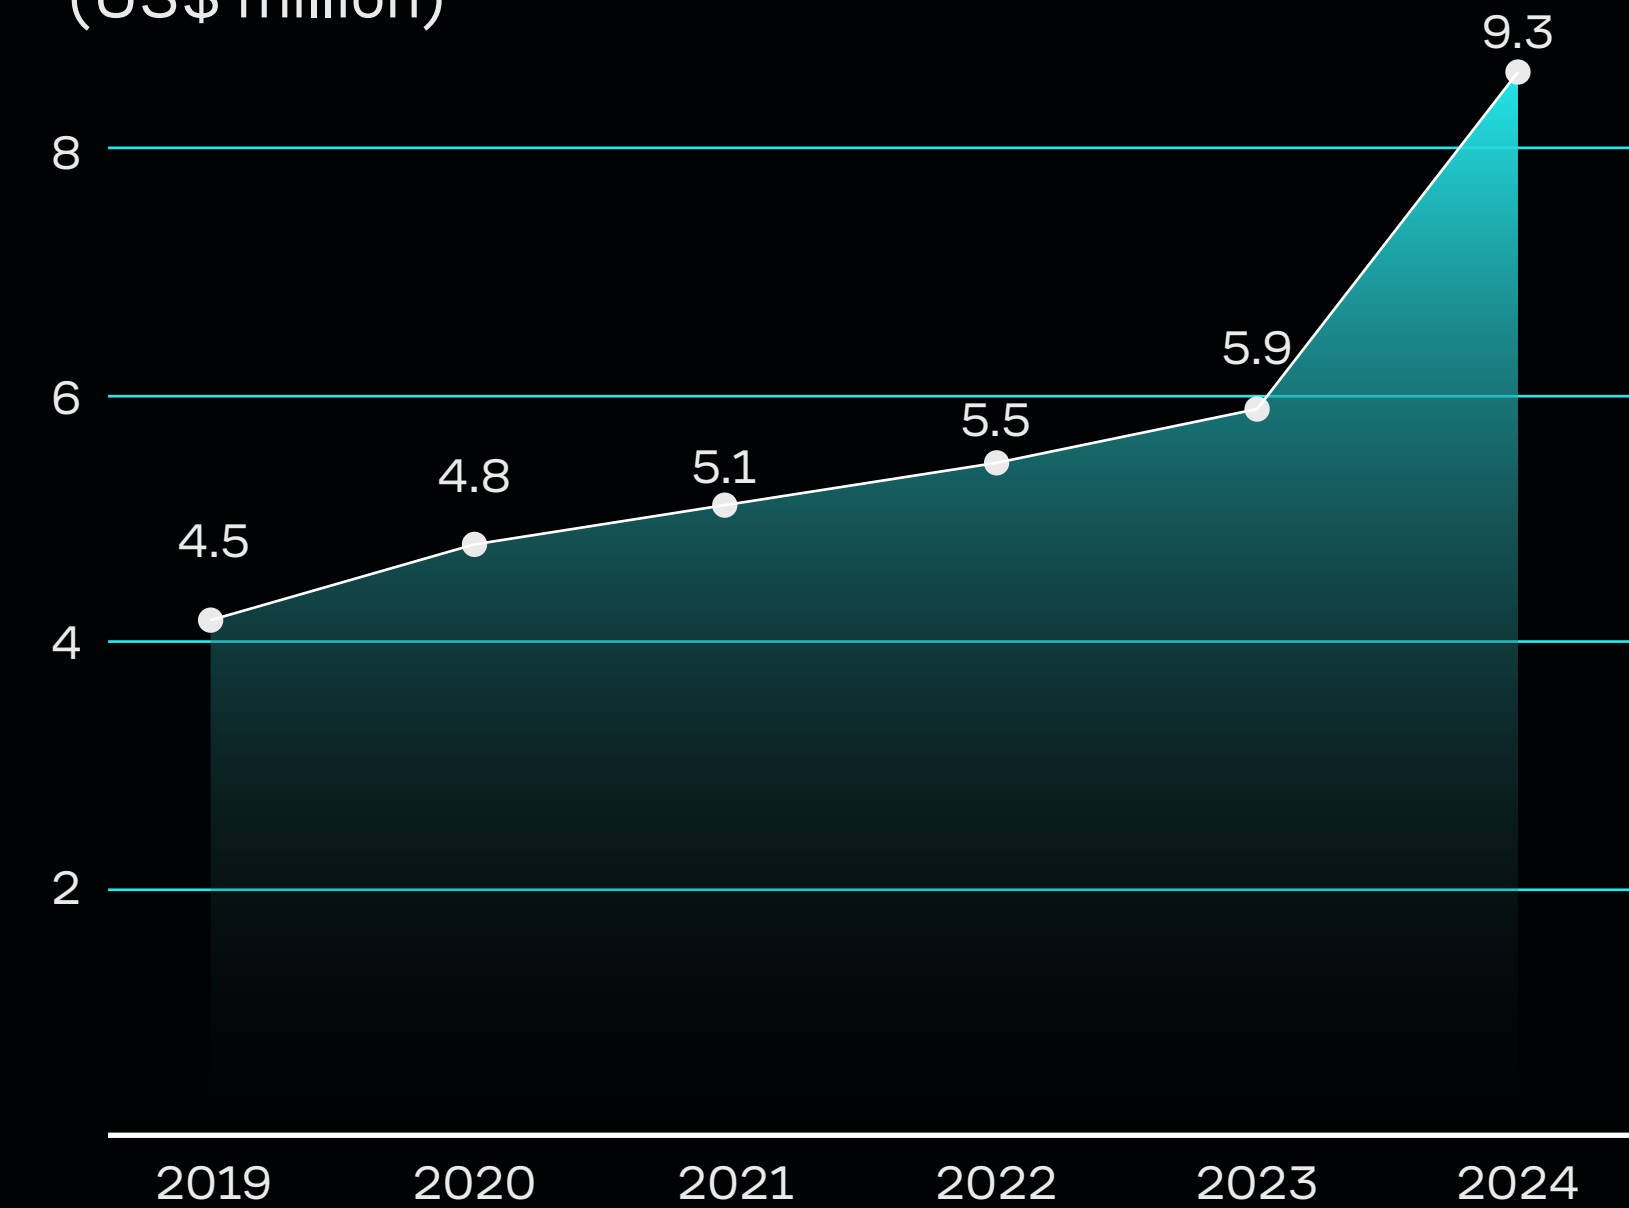

MEDITA IS  DESIGNED TO
MEET THE  B2B AMBITIONS OF 
INDIAN MEDICAL  BUSINESSES.

This is an ideal exhibition to showcase advanced medical equipment and solutions to Mauritius' promising healthcare industry.

Mauritius' Imports from India of Medical Devices and Instruments (US\$ millions)

Africa's Market of Medical Devices and Appliances (US\$ million)

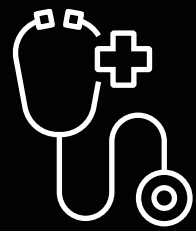

The Government Eye.

Mauritius' government offers free public healthcare and insurance facilities, driving a constant demand for innovative medical solutions.

Power of FDI.

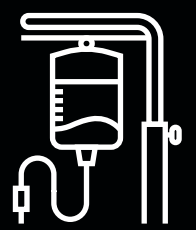

Mauritius' tax benefits and strategic location, serves as a key gateway to the African market, supported by strong trade benefits between India and Mauritius.
